## CONTEMPORARY LUXURY AT LA CERDANYA

A PALACE OF PEACE IN DREAM-LIKE SURROUNDINGS, ONLY 2 HOURS AWAY FROM BARCELONA

The Mercer Torre del Remei is a marvellous 5\*GL hotel located in Bolvir, a picturesque town of La Cerdanya, in the privileged environment of the Catalan Pyrenees and the Cadí-Moixeró Natural Park.

Surrounded by a superb 3-hectare garden with centennial sequoias, a magical place in any season, the Torre del Remei is a modernist palace from 1910 designed by the architect Calixto Freixa -disciple of Gaudí- as a present from the banker Agustí Manaut to his daughter.

More than 25 years ago, the stately house was converted into a luxury hotel. And now, respecting its essence and the serene beauty of the surroundings, Mercer Hoteles has tailored the space to adapt it to their personal vision of contemporary luxury in order to satisfy the highest guests expectations.

Mercer philosophy is based on the combination of the cultural heritage and the unique personality of our luxury hotels buildings, with the excellence of a service exclusively focused on overcoming the highest expectations of our guests. Therefore, we bring together the tangible with the intangible to create unforgettable experiences with every stay, with the unmistakable mark #MercerStyle.

The Mercer Hotel Torre del Remei is a haven of luxury with 24 exclusive rooms and suites, distributed between the palace from 1910 and the annex 'Masia' building –the old stable-, surrounded by a beautiful garden and with views of the National Park of Cadí-Moixeró. The rooms have been carefully reformed with refined interior design, incorporating modern amenities for the absolute comfort of our guests.
